Overall Height:

8.100 inches

Overall Width:

2.310 inches

Product Name:

Oil removal (coalescing) filter

Special Features:

Transparent polycarbonate bowl; low flow automatic drain; 0.125 in. Iso g thread port; 15 scfm rated flow at 100 psig

Functional Description:

Removes particles down to 0.01 micron

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
