LIIU	AP		auo	

Arleigh burke ddg-51 class

Special Features:

Electrical power is n eeded for humidy monitoring not for dehydration; purge pressure is constant at 60psig

Special Test Features:

Built iaw ddg51 flight iia specs; welded iaw mil-std-278; fully qualified to mil-s-901c high impact shock grade a and mil-std-167 vibration environmental shipboard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
