Compressed Air Purification System - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4460-01-515-4668

End Application:
Vt26-e3
Product Name:
Air purification monitor
Special Features:
Monitoring component for high pressure air compressor unit; assembly with camber, cartridge, filter head, and electronic control
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23900
