View Online at https://aerobasegroup.com/nsn/4460-01-525-7343

Overall Length:

0.500 inches

Overall Height:

0.375 inches

End Application:

Bowman fast track

Special Features:

Shielding effectiveness and environmental protection can be improved by plating with tin or nickel; beryllium copper 95t gasket; honeycomb

straight shield medium

Material:

Aluminum alloy

Type/model Designation:

Series 8000 vents

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515q0
