Criticality Code Justification:

Zzzy

General Description:

Material cres astm a276, comp uns s21800; 1.920 in o/a lg; 0.697 in major dia; 0.380 in minor dia

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
