Body Material:

Brass or bronze

Outside Surface Treatment:

Nickel plated

Body Style:

Flush valve (exposed type)

Media For Which Designed:

Water, fresh

Inlet Location:

Right side

Usage Design:

Concealed pipe

Valve Operation Method:

Lever

Operating Mechanism Angle From Inlet In Deg:

180.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07100
