Body Material:

Copper nickel alloy

End Application:

Misc parts sea water system, lpd 0017-20

Unit Type:

Flush

Open Strainer:

Included

Open Strainer Dimension:

5.562

Clean-out Feature:

Included

Product Name:

Type "b" deck drain, no valve, no trap

Special Features:

2in 70/30 type "b" with steel ring

Material:

Copper nickel alloy

Material:

Copper alloy 706

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T313-d
