Overall Length:

13.750 inches

Overall Height:

10.375 inches

Overall Width:

7.250 inches

Current Rating:

20.000 amperes

Wattage Rating:

2300.000 watts

Voltage In Volts And Current Type:

115.0 ac

Product Name:

Surface mounted hand dryer auto pilot operation.

Special Features:

Iron casting cover, steel mounting base, and nickel-chrome heating element; infrared sensor automatic turn-on

Material:

Iron and nickel and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
