**End Application:**

Valve, vac, flushing; toilet evac 900, wall, open front usph, white

**Component Quantity:**

11

**Component Document Origin:**

Industrial

**Document Source:**

58568

**Document Type:**

Engineering parts list

**Component Document Page Number:**

1 of 1

**Supply Items And Quantities:**

Hose, 3/8 in. Length=310, reinforcing fabric (4720-01-540-4600) 1; nut, 1/4 in. (5310-01-521-8407) 2

**Nonsupply Items And Quantities:**

Hose clamp, 15 - 17.8, 2; backplate, basic, 1; hose nipple, 1/2 in npt - 1/4 in 10mm, 2; sign 60 x 30, 1; sign : from vacuum breaker", 1; sign "to vacuum breaker", 1

**Document Identification:**

Drawing no. 6541001: backplate, evac 900, assembly wall model, usph

**Product Name:**

Inavy: evac 900 wall mdl usph; dwg: backplate, evac 900, assembly wall model, usph

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
