Inlet Connection Type:

Threaded external pipe

Outlet Connection Type:

Threaded external pipe

Nominallength:

3.750 inches

Product Name:

Series lf289, spill resist atmospheric vacuum breaker

Special Features:

Max temp 180 f; maximum pressure 150 psi

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515g0
