Design Configuration:

Mesh screen

Attachment Method:

Screwed

Strainer Type:

Cylindrical

Product Name:

Strainer, tank mounted, suction

Special Features:

Iron bushings, metal support tube, epoxy bonded, 10.0 gpm, mesh screen screen size 100.0, rv-5 bypass valve

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A517n0
