Terminal Quantity:

2

Width:

0.750 inches

Overall Length:

2.050 inches

Element Radiation Specification:

Noninfrared

Element Connection Style:

Wire lead

Terminal Length:

12.000 inches

Element Quantity:

1

Material:

Plastic resistance wire embedding/support insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
