Terminal Quantity:

3

Width:

18.250 inches

Element Connection Style:

Terminal screw

Length:

20.750 inches

Maximum Wattage Rating In Watts:

3000.0 single voltage

Voltage In Volts And Current Type:

114.0 ac single voltage

Material:

Porcelain resistance wire embedding/support insulation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
