Maximum Operating Pressure:

10.0 pounds per square inch

Valve Connection Size:

0.750 inches

Valve Type:

Quick air vent

Valve Water Pressure Position:

Closed

Valve Air Return Prevention:

Required

Valve Shape:

Straight

Material:

Brass

Material:

Copper alloy

Surface Treatment:

Nickel

Surface Treatment:

Nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T114-a
