Mounting Method Style:

Bracket type mounting facility

Terminal Quantity:

2

Width:

2.496 inches

Overall Length:

27.250 inches

Element Radiation Specification:

Noninfrared

Element Connection Style:

Terminal lug

Heat Quantity:

1

Maximum Wattage Rating In Watts:

500.0 single voltage

Element Quantity:

1

Voltage In Volts And Current Type:

240.0 ac single voltage

Material:

Steel sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
