Mounting Method Style:

Slot or hole type mounting facility

Terminal Quantity:

2

Width:

1.500 inches

Overall Length:

15.250 inches

Riser Height:

0.375 inches

Element Connection Style:

Stud type

Maximum Wattage Rating In Watts:

325.0 single voltage

Voltage In Volts And Current Type:

115.0 ac single voltage

Material:

Iron rust resisting sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
