Terminal Quantity:

2

Element Connection Style:

Terminal lug

Maximum Wattage Rating In Watts:

170.0 single voltage

Voltage In Volts And Current Type:

26.5 ac single voltage

Special Features:

Consists of 2 windings, one 130 w rating, the other 40 w rating includes 2 thermostatic switches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
