Body Style:

Tubular, m shaped

Terminal Quantity:

2

Element Radiation Specification:

Noninfrared

Element Connection Style:

Wire lead w/terminal lug

Terminal Length:

1.000 inches

Maximum Wattage Rating In Watts:

2585.0 single voltage

Element Quantity:

1

Voltage In Volts And Current Type:

240.0 ac single voltage

Special Features:

Ovenbake element

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
