Body Style:

Strip element

Terminal Arrangement Style:

Offset or staggered at one end

Length:

11.500 inches

Maximum Wattage Rating In Watts:

350.0 single voltage

Voltage In Volts And Current Type:

240.0 ac single voltage

Material:

Chromium resistance wire and nickel resistance wire

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
