Mounting Method Style:

Clamp type mounting facility

Width:

14.187 inches

Overall Length:

14.406 inches

Element Radiation Specification:

Noninfrared

Element Connection Style:

Terminal lug

Heat Quantity:

1

Maximum Wattage Rating In Watts:

2500.0 single voltage

Element Quantity:

1

Material:

Steel sheath

Fsc Application Data:

Griddles, self heating

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
