Maximum Operating Pressure:

300.0 pounds per square inch

Valve Connection Size:

0.500 inches

Valve Type:

Quick air vent

Valve Water Pressure Position:

Closed

Valve Air Return Prevention:

Required

Valve Shape:

Angled

Material:

Phosphor bronze

Material:

Copper alloy 511

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T114-a
