**Mounting Type:**

Any acceptable

**Heat Medium Type:**

Air

**Width:**

36.000 inches

**Depth:**

6.000 inches

**Heating Element Type:**

Electric nonimmersion

**Inclosure Material:**

Stainless steel

**Voltage In Volts:**

440.0

**Phase:**

Three

**Special Features:**

16 ga front and rear panels; elements are monel 0.475 in. Diameter w/fins; 2000 watts capacity

**Height:**

21.000 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A01300
