Maximum Operating Pressure:

225.0 pounds per square inch

Heating Element Type:

Triple

Insulated Feature:

Included

Thermostatic Switch:

Included

Water Inlet Connection Quantity:

1

Water Outlet Connection Quantity:

1

Heating Element Wattage Rating:

125.000 lower

Phase:

Three

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T285-a
