Body Style:

Finned, tubular, u shaped

Overall Length:

46.000 inches

Element Radiation Specification:

Noninfrared

End Application:

1905-01-154-1191

Maximum Wattage Rating In Watts:

3183.0 single voltage

Element Quantity:

1

Voltage In Volts And Current Type:

230.0 ac single voltage

Material:

Stainless steel sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
