Body Style:

Standard element

Width:

203.0 millimeters

Element Radiation Specification:

Noninfrared

Length:

26.000 inches

End Application:

6230-01-276-6775

Maximum Wattage Rating In Watts:

75.0 single voltage

Element Quantity:

1

Voltage In Volts And Current Type:

120.0 ac single voltage

Material:

Rubber natural sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
