Overall Height:

15.875 inches

Overall Width:

15.875 inches

End Application:

5895-01-320-5379 operations central

Operation Method:

Automatic

Special Features:

Pressure differential operation method

Material:

Aluminum

Material:

Aluminum

Shape:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T114-a
