Mounting Method Style:

Bracket type mounting facility

Body Style:

Cable mat

Width:

8.500 inches

Element Radiation Specification:

Noninfrared

Element Connection Style:

Connector plug

Length:

1.000 inches

Maximum Wattage Rating In Watts:

5000.0 single voltage

Element Quantity:

1

Voltage In Volts And Current Type:

240.0 ac single voltage

Special Features:

Wires on one side; metal bracket; ceramic plug; thermofuse kit; u/o dryer tubing

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
