Body Style:

Strip, finned

Overall Length:

15.625 inches

Element Radiation Specification:

Noninfrared

End Application:

4520-00-841-6085

Maximum Wattage Rating In Watts:

1000.0 single voltage

Element Quantity:

2

Voltage In Volts And Current Type:

440.0 ac single voltage

Special Features:

Material is 22 gauge stainless steel per qq5-766

Material:

Stainless steel sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
