Body Style:

Finned, tubular, u shaped

Element Connection Style:

Stud type

End Application:

Heater; industrial engineering and equipment; model 9rh

Maximum Wattage Rating In Watts:

3640.0 single voltage

Element Quantity:

1

Voltage In Volts And Current Type:

480.0 ac single voltage

Material:

Stainless steel sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
