End Application:

Waffle baker; the toastwell co; model cwb2-l

Element Quantity:

1

Voltage In Volts And Current Type:

120.0 ac single voltage

Special Features:

Element for botton half of waffle baker

Reference Number Differentiating Characteristics:

As differintiated by: specify 120.0 volts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
