**Body Style:**

Circular, finned

**Inside Diameter:**

11.000 inches

**Terminal Box Environmental Protection:**

Explosion resistant

**End Application:**

Unit heater p/n 232-foil-00170-1310t used onboard 225 ft wlb coast guard vessels

**Voltage In Volts And Current Type:**

450.0 ac single voltage

**Material:**

Chromium resistance wire and nickel resistance wire

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A01900
