**Element Radiation Specification:**

Noninfrared

**End Application:**

Electronic warfare equipment, non-airborne

**Maximum Wattage Rating In Watts:**

1000.0 single voltage

**Voltage In Volts And Current Type:**

240.0 ac single voltage

**Special Features:**

Used on wenesco model m300 or m93

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A01900
