Element Radiation Specification:

Noninfrared

End Application:

Electronic warfare equipment, non-airborne

Maximum Wattage Rating In Watts:

1000.0 single voltage

Voltage In Volts And Current Type:

240.0 ac single voltage

Special Features:

Used on wenesco model m300 or m93

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
