Overall Length:

11.000 inches

Overall Diameter:

3.000 inches

Construction Type:

Single

Angle In Deg:

90.0

End Application:

2320-01-447-6343 truck, cargo; family of medium tactical vehicles-light

Err Default:

Err default

Adjustability Feature:

Included

Product Name:

Elbow assembly, cargo bay heater

Material:

Steel

Material:

Steel

Style Designator:

Adjustable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T114-a
