Maximum Operating Pressure:

75.0 pounds per square inch

Overall Length:

6.625 inches

Overall Diameter:

2.500 inches

Valve Connection Size:

0.750 inches

Valve Type:

Quick air vent

Valve Air Return Prevention:

Required

Valve Shape:

Straight

Product Name:

Valve, vent

Material:

Brass

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T114-a
