Body Style:

Odd/irregular shaped items

Effective Heating Length:

38.000 inches

End Application:

Moisture separator

Maximum Wattage Rating In Watts:

13.45 single voltage

Voltage In Volts And Current Type:

440.0 ac single voltage

Product Name:

Heat trace strip, chromalox

Special Features:

13.45 watts per foot; temp is 400 degrees fahrenheit or 205 degrees centigrade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
