Damper Control Quadrant - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4520-01-503-4290

Overall Length:	
7.670 inches	
Overall Height:	
3.860 inches	
Overall Width:	
2.740 inches	
End Application:	
Seawolf class ssn; plo a	coustic
Voltage In Volts And Cu	urrent Type:
120.0 ac	
Product Name:	
Actuator, on/off, 35 in-lb	) torque
Special Features:	
Has 3 ft, 18 ga appliance	e cable, 0.500 inch conduit connector; electronic overload protection throughout 0-95 degrees rotation; visua
position indicator, 0-90 c	deg; true mechanical spring return failsafe; easy to adjust mechanical stop to limit damper rotation
Material:	
Steel	
Surface Treatment:	
Zinc	
Shelf Life:	
N/a	
Unit Of Measure:	
Demilitarization:	
No	
Fiig:	
A23900
