Overall Length:

16.000 inches

Overall Height:

10.000 inches

Overall Width:

8.000 inches

End Application:

Damper assembly

Damper:

Included

Product Name:

Auxilliary exhaust de-smoke terminal with solenoid operated damper

Special Features:

Specify nsd61-height (10)-width(8)-length(16)-control location(see supp)-material-voltage (e.G., nsd61-10-8-16-rr-ss-115)

Material:

Steel, corrosion resisting or aluminum

Material:

Stainless steel or aluminum

Style Designator:

Straight

Supplementary Features:

Rfacing direction from which air is flowing, specify l or r for 4.25 inch wide damper control box locatio (left or right); if control lever needs to be in the rear, add "r" as second letter in location (e.G., lr or rr)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T114-a
