Overall Length:

4.000 inches

Overall Width:

5.000 inches

End Application:

Boat

Wattage Rating:

150.000 watts

Voltage In Volts And Current Type:

120.0 ac

General Description:

Peel and stick application, etched foil heating element, silicone/fiberglass cover resists abrasion standard 6ft. Hpn cord and plug

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
