End Application:

Arctic safe marine cold storage space

Maximum Wattage Rating In Watts:

1.0 single voltage

Element Quantity:

1

Voltage In Volts And Current Type:

115.0 ac single voltage

Special Features:

155 inches long

Fsc Application Data:

Door

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
