Body Style:

Band type/nozzle element

Inside Diameter:

6.000 inches

Width:

1.500 inches

Maximum Wattage Rating In Watts:

50.0 single voltage

Voltage In Volts And Current Type:

240.0 ac single voltage

Special Features:

Aluminized steel compressor belly band heater

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
