Overall Length:

10.800 inches

Overall Height:

28.000 inches

Overall Width:

14.400 inches

End Application:

Lgm 30 launch control system

Model Number:

Ur004hu101

Current Rating:

13.000 amperes

Wattage Rating:

2.704 kilowatts

Product Name:

Heatersteam electric element steam humidifier

Functional Description:

Electric element steam humidifier

Gross Weight:

68.0 shipping container pounds

Material:

Stainless steel

Type/model Designation:

Ur004

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
