Body Style:

Flange type

End Application:

Heater, electric water p/n msh175-0-40cnt5 onboard 420 ft (wmsl-750) deep water national security cutter

Product Name:

Heating element incoloy sheath

Special Features:

20 kw

Material:

Copper sheath and stainless steel sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A01900
