Overall Length:

16.000 inches

Overall Height:

11.000 inches

Overall Width:

16.000 inches

End Application:

Auxillary exhaust terminal with solenoid operated damper model no. N-68g series

Product Name:

Damper control

Special Features:

440v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T114-a
