End Application:

Nuclear power plants

Product Name:

Firerod bolt; bolt heater

Special Features:

Conduit box; wooden handle; magnesium oxide insulation; nickel-chromium resistance wire; conductor pins metallurgically-bonded; ul approved flexible stranded wires; applications: power plants, shipyards, press and die manufacturers; construction contractors; boiler manufacturers

Supplementary Features:

Cartridge heater

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
