**End Application:**

Nuclear power plants

**Product Name:**

Firerod bolt; bolt heater

**Special Features:**

Conduit box; wooden handle; magnesium oxide insulation; nickel-chromium resistance wire; conductor pins metallurgically-bonded; ul approved flexible stranded wires; applications: power plants, shipyards, press and die manufacturers; construction contractors; boiler manufacturers

**Supplementary Features:**

Cartridge heater

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A01900
