Body Style:

Finned, tubular, u shaped

Overall Length:

12.083 inches

Length:

11.000 inches

Maximum Wattage Rating In Watts:

889.0 single voltage

Product Name:

Heater, electric

Special Features:

Sheat initial length: 24.350 inches, heated length: 18.250, diameter 0.4750; item has 5 fins per inch, fitting is sst, thread 5/8-24unf-2a

Material:

Nickel alloy sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
