**Mounting Method:**

One-piece rod, edge

**Operation Method:**

Automatic

**Diameter:**

10.000 inches

**Special Features:**

Stainless steel material; horizontal airflow; right side handle

**Material:**

Steel, corrosion resisting

**Material:**

Stainless steel

**Shape:**

Round

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T114-a
