Mounting Type:

Wall panel

Heat Medium Type:

Air

Heat Outlet Quantity:

3

Width:

13.500 inches

Current Type:

Ac

Depth:

4.500 inches

Operating Control Type:

Hand switch

Heating Element Type:

Electric nonimmersion

Product Name:

Wall mounted forced air electric heater

Voltage In Volts:

120.0

Special Features:

Wall can 304 stainless steel

Height:

7.500 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01300
