Overall Height:

1.498 inches

Overall Width:

0.460 inches

Size Designator:

16ll

Atomizer Type:

Return flow

Material:

Steel comp 440c

Material Specification:

Qq-s-763, class 440c federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T114-b
